

INDIA FENCE EXPO

10 – 12
September, 2026
Yashobhoomi,
Dwarka, New Delhi

India's Premier Expo for
Fence & Perimeter Security

INDIA FENCE EXPO 2026 - Where Innovation Meets Security

INDIA FENCE EXPO is a focused industry platform for the fence and perimeter protection ecosystem

The Expo brings together manufacturers and solution providers across fencing systems, access control, surveillance, and smart perimeter technologies with decision-makers responsible for securing borders, infrastructure, and critical assets.

As security requirements move beyond physical barriers to integrated, technology-driven solutions, India Fence Expo offers a single platform where products, systems, and real-world applications are evaluated side by side.

70+
Solution
Providers

10
Countries
Represented

2500+
Industry
Professionals

INDIA FENCE EXPO 2025 is where this market meets.

India: A High-Growth Market for Perimeter Security

\$1.2 Trillion

infrastructure
projects underway

\$7.8 Billion

projected investment
in advanced fence
solutions by 2030

\$19 Billion

perimeter security
market by 2035

India's infrastructure expansion and heightened security focus are creating sustained demand for fencing and perimeter solutions across sectors.

Exhibitor Profile

- Fence, Fencing Systems
- Fence Plating and Powder Coating
- Fence Tools and Accessories
- Fence Machinery
- Gates & Gate Systems
- Vehicle Access Barriers
- Bollards and Hoop Barriers
- Infrastructure Lighting
- Drone - Deployment, Detection and Defense
- Access Control System

Key Visitor Segment:

- **Infrastructure & Transport:**
Roads, railways, airports, power plants
